SPECIAL LECTURE AND RECEPTION

Hosted By

The Fogarty UIC Global Mental Health and Migration Research & Training Program (GMHM) and the Center for Global Health

Guest Speaker

Dr. David M. Ndetei
Professor of Psychiatry, University of Nairobi, Kenya

“Providing Mental Health Services in a Low Income Country—Challenges, Opportunities and Innovation”

Dr. Ndetei is currently Professor of Psychiatry at the University of Nairobi and the Founding Director of Africa Mental Health Foundation (AMHF). AMHF is a non-governmental organization based in Kenya, focusing on research to generate evidence for best practice in the provision of affordable, appropriate, available and accessible mental health services for Low and Middle Income Countries.

Friday, September 5, 2014 at 3:00pm
College of Medicine West
1819 W. Polk Street
